

144 Boughton Green Road

A residential care home for adults with acquired brain injuries

Opened in 1995, 144 is an attractive Victorian property situated in large mature gardens. This home provides residential care for medium/long term placements for fourteen individuals with acquired brain injuries. It is within walking distance of Kingsthorpe which has many amenities such as shops, cafés, banks and a library.

Some service-users have enjoyed this home from it's opening. Whilst we are professional in the service we provide 144 has a homely and relaxing atmosphere which is important for the service-users as it is their home.
