

## 23 Duston Road

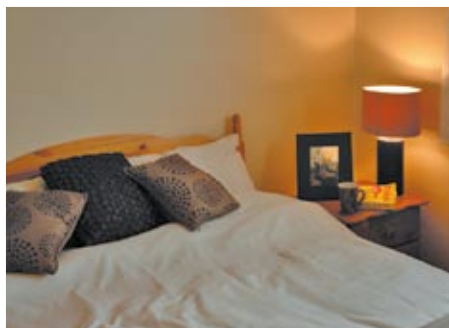

### *A residential care home for adults with acquired brain injuries*

Opened to a high standard in 2002, 23 Duston Road is a detached ten-bedroomed Edwardian home in an urban community setting.

Situated close to local shops and leisure facilities at Sixfields, Northampton, the home is ideally placed to provide a base for service users to integrate with the local community enabling them to make their own choices.

23 Duston Road has purpose-designed facilities, to cater for the individual needs of brain injured adults. All bedrooms have en-suites, with three ground floor bedrooms.

The home achieves professional quality care whilst maintaining a homely, service-user orientated environment.

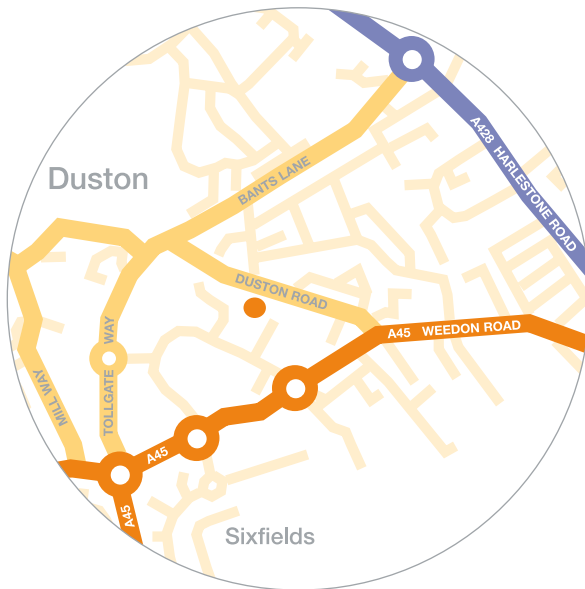

#### **Some of the support we offer:**
