for a better quality of life*

You may know us from 88 Clarence Avenue, our first home which opened in 1989.

To enhance our services we have moved to No 2 Kingsthorpe Grove which provides purpose built bedrooms with en-suite facilities, to meet the individual needs of existing and new service users.

We opened No 8 in 2003 which was also extended and refurbished in 2006. Situated close to the town centre, within walking distance from local amenities, allowing service users to integrate within the local community.

Both homes are spacious, Victorian properties with generous gardens. Although the homes are under one registration, they are detached and cater for different levels of needs, personalities and choices.

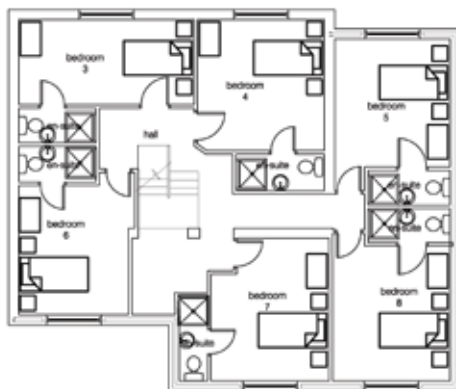

No 2

A residential care home for 8 adults with learning difficulties
